-----  
It's so easy  
To know what you're thinking  
It's written  
All over your face  
It's like I had superpowers  
Like telepathy  
You can't  
Hide anything from me

Tell me you love me  
Right now  
Right now  
Hey, kiss me  
Do it now  
Promise me  
Do it now  
Tell me you love me  
Right now  
Hey, kiss me  
Right now  
Right now  
Right now  
Right now  
Promise me  
Right now  
Tell me you love me  
Right now

What you  
Are thinking  
Is exactly  
What I am thinking  
Like a copy  
Exactly the same thing

It's just like  
Telepathy  
Don't worry  
I won't tell anybody

Tell me you love me  
Right now  
Right now  
Hey, kiss me  
Do it now  
Promise me  
Do it now  
Tell me you love me  
Right now  
Hey, kiss me  
Right now  
Right now  
Right now  
Promise me  
Right now  
Tell me you love me  
Right now

Tell me you love me  
Right now  
Right now  
Hey, kiss me  
Do it now  
Promise me  
Do it now  
Tell me you love me  
Right now  
Hey, kiss me  
Right now  
Right now  
Right now  
Promise me  
Right now  
Tell me you love me  
Right now

Tell me you love me  
Right now  
Right now  
Hey, kiss me  
Do it now  
Promise me  
Do it now  
Tell me you love me  
Right now  
Hey, kiss me

Right now  
Right now  
Right now  
Promise me  
Right now  
Tell me you love me  
Right now  
Do you really  
Like me?  
Ok so kiss me  
Right now  
Right now  
Right now  
Right now  
Hey, kiss me  
Right now  
Tell me you love me  
Right now  
Promise me  
Right now  
Hey, kiss me  
Right now  
Tell me you love me
