(angel...miracle)

It's wonderful
Angels
Tempting us
Oooh, in my hand
A flower ressurects
It's wonderful
We love

A miracle
An oasis at midnight
We kiss
Secretly
We melt
Slowly
Eros flows
In the night sky
Tears overflow
Soul music
It's wonderful

Angels whisper
Sexy
Temptations
Ooh, a rainbow ressurects
Inside my eyes
It's wonderful
We love
A secret

We love
At midnight
Underground
Secretly
Slowly
We reach climax
Slowly
We pray
Tears well up
They won't stop
A miracle

Ooh, a summer when
Angels smile at us
Ooh, our dreams ressurect
Vividly
It's wonderful
We love
Each other

Hey look
The sun
Is hiding
Behind the moon
Ooh, a roll of thunder
Hey look
The clouds are spinning
Like a whirlpool
A miracle
In summer

Ooh
Angels
Tempting us
Ooh, in my hand
A flower ressurects
It's wonderful
We love
A miracle
