The answering machine

Cat food and
The letter you left
You left without saying goodbye

A postcard in the mailbox
A week's worth of papers
You left without saying goodbye

I came back from a short trip
I took near the end of august
But I can't open the apartment

Laundry to do
The end of love
And stale french bread
Please, don't say goodbye
Forever

A raincoat and
A book and some boring
Souvenirs for you are jammed
In this suitcase
I can't open the suitcase

We ran out of toothpaste
And we ran out love
This potted flower I received
You left without saying goodbye

The alarm clock is still broken
Please, don't say goodbye
My heart is still broken too
Please, don't say goodbye
Please, don't say goodbye
