-----  
If  
The dream I had last night  
Is to become true  
Maybe I shall  
Be dead  
Soon  
There's nothing  
To be sad about  
Today i'll  
Go alone  
To an amusement park I know  
And look at  
The gondolas  
Go by

And  
If I talk to you  
On a trunk call  
I'm sure  
Just that would be  
Enough to make me weep  
It's not that  
I'm sad  
Since the day we met  
Until today  
I've been  
Very happy

People are born  
Then they  
Fall in love  
With someone and then  
One day they die  
It's completely meaningless  
Just like a short film  
I once saw  
In an aeroplane

If  
The dream I had last night  
Is to have  
A sequel  
I don't want to see  
You weep  
I can't forget  
Your laughing face  
On the photo  
I've kept  
Since that day

People are born  
Then they  
Love someone  
And in the end  
They die  
Everything over and over again  
Just like  
The short film I saw  
In an aeroplane

If  
The dream I saw last night  
Is to become true  
And  
If there is to be a sequel

To this dream

People are born  
Then they  
Fall in love with someone  
And then  
One day they die  
It's not that bad  
It's just like  
This short film I once saw  
In an aeroplane
