A new
Stereophonic sound
Spectacular!

Can you remember
What you used to tell me
When you were
In a good
Mood?

That corny
Line you used to tell me
Tonight you are
The sweetest girl
On earth and so on

It's seven o'clock in the evening
In tokyo
Tonight
Who is your sweetest girl
In the world?

Who is the most beautiful
Girl in the world
Tonight?

And then
You would hold me (have sex with me)
When you felt like
Mmm remember?

I used to think
Ours was
A special kind of love
And I was convinced
I was the happiest
Girl in the world
Yes I was

A love romance like in a b movie
So who is
Your sweetest girl in the world
Tonight?

A hotel at night in tokyo
In bed you'll
Crack up
Your favorite routine

Me too I used to
Ask my looking-glass
As I did
My make-up

Mirror, mirror on the wall
Please tell me
Who is the fairest
Girl
Of all?

I will never go again
To my favorite shop
On earth
I don't need
My favorite flowers
Anymore
I will never go again

To my favorite hotel
On earth
I will never meet
The guy I love most on earth
Ever again
