-----

If someday we

Fall out of love

And

Break up

It's sad but

That's the work of god

Nothing you can do about it

It's the work of god

And the two of us

Won't love each other

We'll grow

Distant

It's sad but

That's the way things happen

There's no way out of it  
It's the work of god

It's sad but  
That's destiny  
Nothing you can do  
C'est la vie
