-----  
One day as I woke up  
A wonderful morning was waiting for me  
Very bright  
And I felt happy

My sadness that I felt  
Like a thick cloud  
Around me  
Like a lie, had vanished

One day as I woke up  
I felt like I had been wrapped up  
With love

I can finally say today  
Humbly  
Thank you very much

To all the people in the world

One day as I woke up  
A wonderful morning was waiting for me  
I cannot express it properly  
It felt like I was a kid again

And then it came to me that  
I have  
A dad and a mom  
A brother and a sister  
A grandpa a grandma  
Friends I love  
A cute child  
And on top of that  
I have you

One day as I woke up  
A wonderful morning was there waiting  
The world begins today  
To spin gently

And I have  
No sorrow  
Left

I have people to whom I owe much  
Around me  
My father my mother  
My brother and my sister  
My grandfather and my grandmother  
My friends I love  
A cute child  
And most of all  
I have you

One day as I woke up  
A lovely morning was there for me  
The world today  
Smiles gently  
To me

And I have  
No fear  
Left

Now inside  
My head  
The music begins  
Now inside  
My head

The world  
Starts to spin  
At  
45  
Rpm
