-----  
This can't be love  
It's just pain  
We you are in my arms  
It hurts so much  
We always go alone  
On a car ride  
From the radio you can hear  
'itoshi no erii' ('my love, so sweet')

We look  
Just like  
We were lovers

And then  
We are  
Always very tired

Baby baby ooh  
Baby baby  
Please just  
Tell me you love me  
Ooh baby baby  
Please say it again  
That you love me

You are not an angel  
You're just a girl  
You'd better take a nap  
On the backseat ('my love, so sweet')  
I don't think we'll be going  
Anywhere else tonight  
Let's go back  
To your place after two ('my love, so sweet')

We are  
Silent  
We don't talk  
And then  
You end up crying

Baby baby ooh  
Baby baby  
Please just  
Tell me you love me  
Ooh baby baby  
Please say it again  
That you love me

Ooh ah sha sha sha sha...

We look  
Just like  
We were lovers  
And then  
We are always very tired

Baby baby  
Please just  
Tell me you love me

Baby baby ooh  
Baby baby  
Please say it again  
That you love me

Ooh baby baby  
Please say it again  
That you love me  
Ooh baby baby  
Don't say you  
Can't say it

This can't  
Be love: pain  
You're not  
An angel: pain  
And then  
I think our ride  
Is over for tonight

Baby baby ooh...
