I want to have a secret love
The kind that noone would notice
I want to join with you
Won't you make contact right now?

Top secret
Don't tell
Top secret
I want to tell

My secret codename
Is known by noone
I want to whisper it to you
Won't you contact me in private?

Top secret
Don't tell
Top secret
I want to tell

I want to have a secret love
That I couldn't tell anyone about
I want to make a deal with you
Can't we make contact together?

Top secret
Don't tell
Top secret
I want to tell
