I wrote a very sad song

When I woke up this morning

But I won't let you listen to it

Because it's too sad a song

It's a very sad story
Maybe you noticed it too
It's really very sad
But our love is over

Like this
We held each other
We saw the same sunrise

I had a very sad dream
This morning before I woke up
I dreamt that I was singing a sad song
And you just kissed me

I'm really sorry
I've loved you so
But...

I'm really sorry
You've believed only me
But...

I'm really sorry
I've loved you so
But...

I'm really sorry
But in the end
We can forget everything
