(Nanako Satou)

Translators: Made In the USA/Ted Mills

Sanjikan mo matte ita no yo  
Watashi neko to issho ni

Sono toki denwa no beru ga  
Watashi neko mitai ni shabetta  
Terebi no volume sagete  
Watashi uso mitai na koe de

Twiggy no mini skirt de  
Twiggy mitai na pose de  
Twiggy no mini skirt de  
Twiggy mitai ni yassepochi no watashi

-----  
I was waiting for about three hours  
My cat and I

At the time the phone rang  
And I chatted away just like my cat  
I turned down the TV and  
Talked in a fake voice

In a Twiggy mini-skirt  
In a Twiggy-like pose  
In a Twiggy mini-skirt  
Skinny like Twiggy, that's me
