(takanami)

Translators: ed valdez and ted mills

Kare to anata to watashi

Natsu no kageroo ni tokete yuku

Suna no ue hirusagari no koi

Taikutsu na hikari no naka

Dare mo nani mo iwanai

Furui eiga no bamen no yoo

Taiyoo ga kogashita jikan

Sukoshi zutsu rinkaku? ? o ushinau

Asobi tsukare

Sono ato wa

Shinda yoo ni nemuru no

Mawaru natsu no taiyoo

Mawaru futashika na kisetsu

Kare to anata to watashi

Soshite itsu ka owaru 'vacance'

'radio' kara nagereru uta wa

Sukoshi zutsu rinkaku? ? o ushinau

Asobi tsukare

Sono ato wa

Shinda yoo ni nemuru no

Mawaru natsu no taiyoo

Mawaru futashika na kisetsu

He and you and i

Melting in the summer heat

On the sand, love in the early afternoon

In the dull light

Nobody says anything

Like an old movie scene

The time the sun has burned

Little by little, our outline fades away

Tired from playing

And after we'll

Sleep like we're dead

The turning summer sun
The turning uncertain season

He and you and i
And then someday it will end, vacance
Throwaway music from the radio
Little by little, our outline fades away

Tired from playing
And after we'll
Sleep like we're dead
The turning summer sun
The turning uncertain season
