Shigeru
Hi maki! how do you do
How do you do

Let's do it!

Presenting
Miss pizzicato five
Maki!
Sing a song!
Ha ha!

Under the roofs of tokyo
You can hear
Coming from somewhere
Some groovy
Sweet soul music

Shigeru matsusaki

In the place to be!
Yeeeeeeeah!

Under the sky of tokyo
We met
And then we fell in love

Check it out claude
Le cahier de la mode

Let's walk down the road
As we whistle
It doesn't matter
If we're broke

Voyage ÃfÂ tokyo
Check it out claude
Miss pizzicato five
Maki

As long as i'm
With you
Tokyo is
The best city
In the world

Yeah!
On and on and on and on and on

As the pendulum
In your chest sways
Time goes by
Before you realise

Life is short you know

And now
We are happy
But what
Are we going to do from now on
Nobody knows
What will happen tomorrow
That's something
That nobody
Knows
That's why
Today is so important
Let's love today

Sing a song
Shigeru matsuzaki

Under the roofs of tokyo
Someone is singing
Some groovy sweet soul music

He's a sweet soul brother

Under the sky of tokyo
We met
And we'll grow old

We fell in love and
One day we'll be sixty-four

And everybody
Dies someday
(yes, but)
But if someday
We die
I wonder if
We'll go to heaven
(I think we will)
That's something that
Nobody knows
That's why today
We ought to have fun
Let's love today

If there is
A god
We must be thankful

Nowadays all I hear
Is bad news
I get tired of it
But today
We'll spend the day together
A wonderful afternoon

(yeah yeah yeah)

At this moment
As the sun goes down
Along with the scent
Of herbal tea
And fresh
Espresso
I don't have to work
Let's have a break
As we listen to
Some easy listening music

And have some bread
Hot from the oven
I feel like going
To the new hype cafe
After a stroll
In the park
And as we talk
Let's go for a walk
Ebisu
Aoyama
Omotesando daikanyama
Urahara utagawa
Shimokitazawa and hiroo
I feel like trying
The odaiba ferris wheel
There's nothing
We cannot do
I want to love you
A lot
My name is
You the rock
As long as I'm with you
I don't need anything
From nagano
I'm a rap machine from shinano

Everybody dies
Someday but
I'm not afraid
But
I wonder if I'll go to heaven
I sometimes tell lies
But I haven't done anything wrong
And you soon found out about
The lies I told you
I wonder if I'll go to heaven
If I'll die a happy man
That's something
Nobody knows
It really is
Something nobody knows
That's why today
Let's love today
