-----  
On a cold  
Summer morning  
We drove  
Through the mist

We drove on  
And on till  
We got to a desert village  
Near the sea

The sound of the radio  
On and off and on and off  
Before we realised  
We'd gone really far

On a cold morning  
It's just natural to  
Kiss and  
Hug  
I can feel it  
Inside my mouth  
The taste of wild strawberries

La la la

On a cold  
Summer morning  
We drove  
Through the mist

Women  
Always  
Cry  
Without previous notice

Summer will soon  
Come to an end but

We are still here  
Making love  
That's childish  
A wild kiss  
The taste of wild strawberries

La la la

Summer will soon  
Come to an end but  
We are still here  
In love  
Isn't that silly  
We're still in love

La la la
