That difficult person is

Reading a difficult book

That difficult person

Says something with a difficult face

If you love me now

Please show me a little smile

That difficult person

Says only difficult things.

A slight kiss

I want to do something enjoyable

I want you to hold me

That difficult person
Is keeping a difficult dog
It barks.

I'm a little tired so
Today, let's say goodbye

Love was certainly
Just a bit difficult
