Give me a taste god  
I'm hollow inside  
Wanna bleed from my nose  
Yeah, I need it to cry  
Find me on my knees praying  
On the bathroom floor  
In the midnight hour  
I scream  
More, more, more

These lies  
So white  
Cocaine  
Cocaine  
I'm dyin'  
All night  
Cocaine  
Cocaine

Don't care what ya say man  
Give me all that you got  
Sold my soul down a rail  
Yeah, don't want this to stop  
God, I'm dying to live  
Yeah, I gotta get gone  
I'm all razors and mirrors  
I need it  
All night long
