Hey, Hey, I killed Kurt Cobain  
You know I sold his face and drove his wife insane  
Oh no, I killed my MTV  
Got this money for nothing  
And these chicks for free  
So sad, I shot up Alice & Chains  
Makin' all these people put needles in their veins  
Ya know, Britney's gonna end up where she belongs  
Might even kill herself before I finish this song  
Look, look, look at Michael Jackson  
Don't you love what I did?  
Ain't it attractive?  
Dipped him in bleach  
Gave him my kids  
Put a camera in his face  
And got fuckin' rich

Everyone knows I shot 'em down  
My camera watched 'em hit the ground  
I sold your gods, I shot 'em  
Dead on TV  
Everyone knows I shot 'em down  
My camera watched 'em hit the ground  
Next time you see me I'll be  
Dead on TV

Bang, bang John Lennon is dead  
My TV put a bullet right in his head  
Don't you know I killed Joy Division  
Tore his love apart and then I hung 'em with it  
Well, well, well, Jim, Jimi, and Janis  
Killed the fuckin' 60s watch movies about 'em  
Hope I die like Elvis Presley  
Flushed down the toilet  
Drunk bloated and empty  
Oh my god I killed Jesus Christ  
I watch it on TV every night  
Killed him myself  
Caught it on tape  
Sellin' everyone an afterlife  
Hey
