I'll be bombin' all your cities  
I'll be killin' all your children  
I'll be rapin' all your women  
I'll be burnin' up your oil  
I'll be fuckin' your religion  
While I'm sellin' the world these lies

You'll be worshipping my dollar  
You'll be starving on TV  
You'll be famous while you're dying  
But you'll finally be free  
Now I'm leaving you with nothing  
But a broken democracy

Dirty American  
I'm dirty  
I'm dirty  
Dirty American  
I'm dirty  
I'm dirty
