You make me weak.
Girl you stand out from the crowd,
You are so strong.
Never let life get you down,
I can't go on.
Pretending I don't see,
Just how good I'd be for you,
And how good you'd be for me,

And it doesn't matter how hard I try,
You can't suppress this feeling, this feeling inside...

I think I'm falling, girl.
(I'm falling for you, I'm falling for you.)
Doesn't matter what you say, doesn't matter what you
do,
Baby, it's true.
(I'm falling for you I'm falling for you.)
You know how much I care for you...

Sometimes in life.
You can search forever more,
Seraching for love.
Never able to be sure,
Be sure your heart.
Won't be broken up inside,
'Cause inside the realm of love there's nowhere to run
or hide...

And it doesn't matter how hard I try,
You can't suppress this feeling, this feeling inside...

I think I'm falling, girl.
(I'm falling for you, I'm falling for you.)
Doesn't matter what you say, doesn't matter what you
do,
Baby, it's true.
(I'm falling for you I'm falling for you.)
You know how much I care for you,
There's nothing that I would, I would not do.

And it doesn't matter how hard I try,
You can't suppress this feeling, this feeling inside...

I'm falling for you!
I'm falling for you!
Doesn't matter what you say, doesn't matter what you
do!
Baby, it's true!
I'm falling for you!
(I'm falling!)
I'm falling for you!
You know how much I care for you,
There nothing that I would, I would not do!

Why do we fall...
Why do we fall...
In love...
