Gotta make a start gotta make a move  
Gotta make a start gotta make a move  
Gotta make a start gotta make a move  
I gotta I gotta I gotta I gotta

Gotta make a start gotta make a move  
Gotta make a start gotta make a move  
Gotta make a start gotta make a move  
I gotta I gotta I gotta I gotta

Watch me as I rip on the smooth tip  
As I flip hold on quick  
Don't let me slip get a grip  
Get a grip on reality  
I'll make you dizzy  
Wanna get busy gimme the hump  
Gimme the pump I'm so full of sensuality  
No back trackin' 'cos I ain't stackin'  
So listen to the lines I'm stackin'

If I give you my number  
If I give you my number  
Will you call will you call  
Will you call will you call me  
If I give you my number  
If I give you my number  
Don't forget don't forget  
Don't forget don't forget me

As I chickety check check check you out  
On the floor you move like a snake  
Hissin' what am I missin'  
Gimme the hump gimme the hump  
Slow kissin' sharp as a razor  
I wanna amaze you  
Burn like a lazer  
Pick up start up  
Straight up if you're fed up  
Get get I won't let up

If I give you my number  
If I give you my number

Will you call will you call  
Will you call will you call me  
If I give you my number  
If I give you my number  
Don't forget don't forget  
Don't forget don't forget me

1 Love between you and me  
2 Hearts in harmony  
3 Little words rhythm the rhyme  
4 Better for worse it's about that time

If I give you my number  
If I give you my number  
Will you call will you call  
Will you call will you call me  
If I give you my number  
If I give you my number  
Don't forget don't forget  
Don't forget don't forget me
