(Lets get ready to rumble! )  
Sit back, rap attack, don't take no flack,  
Rhyme in time to the rythmn of the track,  
I'm Ant (I'm Declan), a duo, a twosome,

So many lyrics, we're frightened to use 'em!  
So many lyrics we keep 'em in stores,  
We've even got 'em coming out of our pores!  
Your father, your mother, your sister, your brother,  
Everyones got to be an AKA lover!  
Give us the motivation we can cause a sensation!  
Give us the aspiration we can cause a sensation!  
Give us the girls top speed!  
Give us the girls stampede!  
Stylin', smilin', everybody buck willin'!

Lets get ready to rumble!  
(Lets get ready to rumble! )  
Get ready! Get steady! And rumble!  
Everybody rumble!  
Lets get ready to rumble!  
(Lets get ready to rumble! )  
Get ready! Get steady! And rumble!  
Everybody rumble!

Partners in crime, we'll never do time,  
A sentence for us has to end in a rhyme!  
Raw, and pure like sushi, don't try to do me,  
Use me, or even try to sue me!  
We lay down the law, we're quick on the draw,  
We played it, we made it, the rest don't score,  
No jokes, no messin', we'll teach you a lesson,  
A state of confusion to keep you all guessin'  
Freakin' it, sweatin' it, bustin' the mike!  
Slammin' it, jammin' it, do what you like!

Lets get ready to rumble!  
(Lets get ready to rumble! )  
Get ready! Get steady! And rumble!  
Everybody rumble!  
Lets get ready to rumble!  
(Lets get ready to rumble! )  
Get ready! Get steady! And rumble!  
Everybody rumble!

Freakin' it, sweatin' it, bustin' the mike!  
Slammin' it, jammin' it, do what you like!

Lets get ready, ready  
Lets get ready, ready  
Lets get, lets get,  
Lets get ready, ready  
Lets get ready, ready  
Lets get ready, ready  
Lets get ready, ready  
Lets get ready to rumble!  
Watch us wreck the mike!

Watch us wreck the mike!  
Watch us wreck the mike!  
PSYCHE! (lets get ready to rumble! )

Lets get ready to rumble!  
(Lets get ready to rumble! )  
Get ready! Get steady! And rumble!  
Everybody rumble!  
Lets get ready to rumble!  
(Lets get ready to rumble! )  
Get ready! Get steady! And rumble!  
Everybody rumble!  
(Repeat to fade)
