Give a little love, give a little devotion!

I know what you're feeling,
Oh, pretty girl!
You know I see it in your eye,
Even in the stream I have,
Oh, pretty girl!
I'm gonna make you realise...

That honey, it's you I need!
Can you hear me calling?
(Can you hear me call?)

Love and devotion baby!
Love and devotion baby!
Is all I ever want from you!

Give a little love and devotion baby!
Love and devotion baby!
Is all I ever want from you!

Feeling good vibrations,
Oh, pretty girl!
I can feel in in the air,
Seeking every means I have,
Oh, pretty girl!
I'm gonna really take you there!

Love and devotion baby!
Love and devotion baby!
Is all I ever want from you!

Give a little love and devotion baby!
Love and devotion baby!
Is all I ever want from you!

Love is an irresistable desire,
To be irresistably desired,
Devotion is marked with an ocean,
Emotions are strong in love and devotion...

Love and devotion baby!
Love and devotion baby!
Is all I ever want from you!

Give a little love and devotion baby!
Love and devotion baby!
Is all I ever want from you!
