Catch a falling memory girl,
Hold and hold it to your heart,
If you,
Believe in prayers and dreams,
Then I swear,
Just breathe and i will be there,

Somewhere in the rain,
That's where you'll find me,
Somewhere in the rain,
That's where I'll be...

Stop, did you whisper girl?
Say, say you need me now,
If storms begin to stay,
And clouds are turning grey,
I'll breathe and blow them away...

Somewhere in the rain,
That's where you'll find me,
Somewhere in the rain,
That's where I'll be...

In the rain,
That's where you'll find me,
In the rain,
That's where I'll be,
In the rain,
That's where you'll find me,
In the rain,
That's where I'll be...

Somewhere in the rain,
That's where you'll find me,
Somewhere in the rain,
That's where I'll be...
Somewhere in the rain,
That's where you'll find me,
Somewhere in the rain,
That's where I'll be.....
