I see that girl, in the Woolies window...  
She reaches up and I feel my heart glow,  
I'm so in love, coz she's my Venus,  
And we'll do just what we want!

#### CHORUS

Lalalalalala, lalalala,  
Coz we're doin' what we want now,  
Lalalalalala, lalalala,  
Coz we're doin' what we want today, oh yeah!

We spend the day, on a bed of roses,  
I read my lines, till the curtain closes,  
And she just smiles, she's so inviting,  
And we'll do just we want!
