My number one
(My number one now)
For me
My number one
(My number one now)

You gotta get up and go
Coz we're starting the show
We let the rhymn get ya
Come on move with the flow
Everybody here say partytime

Get off your back
Let your hands clap
Come for the cheese from the mouse trap
Everybody here say partytime
Five
And I'm counting
Four
And I'm waiting
Three
And I'm willin'
I'm gonna run right through this score
Five-Four-Three-Two-One much more coz...
You are the one for me
My number one
(My number one now)
For me
My number one
(My number one now)

You gotta get back your hat
Coz you're under attack
We're makin' all the moves
No turnin' back
Everybody here say partytime

Jump up and yell
It's a hard sell
Oops there goes the doorbell
An whimsical as a door bell-oh girl

Cast me !! a magic spell
Everybody here say partytime

Five
And I'm counting
Four
And I'm waiting
Three
And I'm willin'
I'm gonna run right through this score
Five-Four-Three-Two-One much more coz...
You are the one for me
My number one
(My number one now)
For me
My number one
(My number one now)

One!
(My number one!)
One!(For me)
(My number one)
One!
(For me)
(My numeber one)

Five-Four-Three-Two-One much more coz
[Repeat to fade]:
You are the one for me
My number one
(My number one now)
For me
My number one
(My number one now)
