Hey I'm one big queen  
No one can stop me  
Red light, red green  
Sat back, I'm watchin'  
I'm number one  
Second to no one  
No sweat I'm clean  
Nothin' can touch me

I'll tell you my name  
F U C K  
Fifty foot queenie  
Force ten hurricane  
Biggest woman  
I could have ten sons  
Ten Gods  
Ten queens  
Ten foot and risin'

Hey I'm the king of the world  
You ought to hear my song  
Ah come on measure me  
I'm twenty inches long

Glory glory  
Lay it all on me  
Fifty foot Queenie  
Fifty and rising  
You can bend on  
Cassanova  
No sweat I'm clean  
Nothing can stop me

Hey I'm the king of the world  
You better to hear my song  
You come on measure me  
I'm twenty inches long

Hey I'm king of the world  
(Fifty foot queenie)  
You ought to hear my song  
(Fifty foot queenie)

You come on measure me  
(Fifty foot queenie)  
I'm thirty inches long  
(Fifty foot queenie)

Hey I'm king of the world  
(Fifty foot queenie)  
You ought to hear my song  
(Fifty foot queenie)  
You come on measure me  
(Fifty foot queenie)  
I'm forty inches long  
(Fifty foot queenie)

Hey I'm king of the world  
(Fifty foot queenie)  
You ought to hear my song  
(Fifty foot queenie)  
You come on measure me  
(Fifty foot queenie)  
I'm fifty inches long  
(Fifty foot queenie)

(Fifty foot queenie)  
(Fifty foot queenie)  
(Fifty foot queenie)  
(Fifty foot queenie)  
(Fifty foot queenie)  
(Fifty foot queenie)  
(Fifty foot queenie)  
(Fifty foot queenie)
