Maybe you wonder what it is  
Makes people good or bad  
Why some guy, an ace without a doubt  
Turns out to be a bastard  
And the other way about  
I'll tell you what I feel  
It's just the nickel under the heel  
Oh you can live like hearts and flowers  
And everyday is a wonderland tour  
Oh you can dream and scheme and happily put  
And take, take and put  
But first be sure  
That nickel's under your foot  
Go stand on someone's neck while you take him  
Cut into somebody's throat as you put  
For every dream and scheme, depending on whether  
All through the storm  
You've kept it warm  
That nickel under your foot  
And if you're sweet then you'll grow rotten  
Your pretty heart covered over with soot  
And if for once you're gay and devil-may-care-less  
And oh so hot  
I'll know you've got  
That nickel under your foot
