#### Chorus 1:

You'll never find no other like my kind (like my kind)  
Come chill with me and tell me what you see  
You'll never find no other like my kind  
Boogey man every time  
Come chill with me and tell me what you see  
You'll never find no other like my kind  
Come follow me thug stroll  
Come chill with me and tell me what you see  
You'll never find no other like my kind  
Boogey man every time

#### Verse 1:

Mo' thugs  
From the wasteland running up on you bang  
Nigga no one can touch my shit  
If you wanna fuck with this  
Must you come bang  
Mo thugs  
From the wasteland running up on you bang  
Nigga no one can touch my shit  
If you wanna fuck with this  
Must you come bang  
Leaving things to the real gees  
They be rolling with me  
Nigga we straight from Cleveland  
Everyday we stay thieving  
Thugging in your city  
U better come play my way  
Come get me let's parlay  
Ever they knew it  
And if I will say do it  
Stocking all my thugster way  
Bridge  
If you love to parlay  
Let me see your body swing  
Cleveland S.C.Ts  
Yes my niggers stay oldie  
Mo' thug family

Range from Bone Thugs-N-Harmony  
Mortality family tree  
Thugging with Flesh B.O.N.E  
(Yeaaah)

Chorus 2 (2 x)

Come chill with me and tell me what you see  
You'll never find no other like my kind  
Come follow me thug stroll  
Come chill with me and tell me what you see  
You'll never find, no other like my kind  
Boogey man every time

Verse 2

How funny?  
Flesh-N-Bone bash  
Kicking up dust from Cleveland  
All over the world wide  
We bashing over nasty niggers  
Holler for my gun shall blast  
Making my chest fit for anything so deadly bang  
Nigga you know the game  
And you know the name  
Mo' thug family need a repair  
Bang bang  
I gast to get down for my thing and maintain  
Keeping the police I'mma maul them  
Still I'm flipping this scripty thing  
Come get your thug on  
And parlay with the platinum player  
Only the peelish g-thing kick it  
So play your hide and seek, you play them  
Niggers they chasing paper  
Making that mighty dollar while you can  
Mobbing and balling your man  
Niggers they know I'm the man with the master plan  
How can I make you understand that  
You'll never find no other trues like my kind  
Ready fixing that saint claire wig splitters  
Boogey man every time  
If you heard there  
Some of the things I've been through  
Get it it's unbelievable  
So dabble the fiends and rub it  
Before their gangs randomly plead  
Try to play a role
