Can you hear them?
The helicopters
I'm in New York
No need for words now
We sit in silence

You look me
In the eye directly
You met me
I think it's Wednesday
The evening

The mess we're in
And ooh

The city sunset over me
The city sunset over me

Night and day
I dream of
Making love
To you now baby
Love making on screen

Impossible dream
And I have seen
The sunrise over the river
The freeway
Reminding of

This mess we're in
And ooh

The city sunset over me
The city sunset over me

The city sunset over me
The city sunset over me

What were you wanting?
(What was that you wanted?)

I just wanna say
Don't ever change now baby
I'd thank you
I don't think we will meet again

And you must leave now
Before the sun rises
Over the skyscrapers
And the city landscape comes into view
Sweat on my skin

Oh
This mess we're in
Ooh

The city sunset over me
The city sunset over me
The city sunset over me
The city sunset over me
