Re rejection
Re rejection
Re rejection
Dont marry uh huh her
Dont marry uh huh huh her
Dont marry uh huh her
Dont marry uh huh huh her
The valley is crying
Dont ask me
Why its grieving
Dont marry uh huh her
Dont marry uh huh huh her
Dont marry uh huh her
Dont marry uh huh huh her
I fill the sea all with my tears
I drown the fields
You will remember
remember me
The valley is crying
The valley is grieving
He is
Hes leaving
Abandoning me
Dont marry uh huh her
Dont marry uh huh huh her
Dont marry uh huh her
Dont marry uh huh huh her
I fill the sea
All with my tears
I drown the fields
You will remember
Remember me
