"Punky Brewster"

I ran to the end of a rainbow's eye
There wasn't any pot of gold.
And there I found a new friend who's two feet tall
One hundred and four years old

Glomer is an orphan
He was left behind
And a lot like Punky
He is one of a kind

Punky Brewster
Come on it's just a fantasy,
you know-uh-oh

Punky Brewster
I always want you here with me
I know-uh-oh

Punky Brewster
No one's gonna understand
Punky Brewster
Together we're the best of friends

Punky Brewster
I always want you here with me
you know-uh-oh.
