"Tazmania"

Welcome to the land that's way under, down under,
the sky's always yellow in the rain or shine...

Down in Taz-Mania,
Come to Taz-Mania.

Where topsy meets turvy and they start to spin,
Like a Tazmanian devil and his closest kin.

Down in Taz-Mania,
Come to Taz-Mania.

Mom's a live wire, dad's a bump on a log,
Molly's all fired up while Jake plays with the dog.

Down in Taz-Mania,
Come to Taz-Mania.

Digeri Dingo and Wendel T. Wolf,
Francis X. Bushlad is never uncouth.
Bushwacker Bob and his mother called Mum,
Constance and Thickley just want to have fun.

Bull Gator and Axl are always left sore,
If you have a deal just call Buddy Boar,
The Platypus brothers are a-backin' about,
The kiwi, the bushrats, have we left anyone out?

Oh, yeah, don't forget Taz...

He put the Taz in Taz-Mania,
Down in Tazmania,
Come to Tazmania,
We mean you!
