Come along with Snorks
Swim along with Snorks
So much to see waiting for you and me
Have some fun with the Snorks

Play along with the Snorks
Swim along with the Snorks
Happy we'll be living under the sea
Come along with the Snorks

If you could breathe underwater
where would you go
If you had friends underwater
who would you know
Come along, sing along, swim along too
Yeah

Come along with the Snorks
Swim along with the Snorks
So much to see waiting for you and me

Swim along with the...
Have some fun with the...
Come along with
The Snorks!
