I walk a lonely road  
The only one that I have ever known  
Don't know where it goes  
But it's home to me and I walk alone

Today is gonna be the day  
That they're gonna throw it back to you

I walk this empty street  
On the Boulevard of Broken Dreams  
Where the city sleeps  
And I'm the only one and I walk alone

By now you should've somehow  
Realized what you gotta do (I walk alone, I walk alone)  
I don't believe that anybody  
Feels the way I do about you now (I walk alone, I walk  
alone)

My shadow's the only one that walks beside me  
My shallow heart's the only thing that's beating  
Sometimes I wish someone out there will find me  
'Til then I walk alone

Every day I wake up and it's Sunday  
Whatever's in my head won't go away  
The radio is playing all the usual  
And what's a wonderwall anyway

Backbeat the word is on the street  
That the fire in your heart is out  
I'm sure you've heard it all before  
But you never really had a doubt  
I don't believe that anybody feels  
The way I do about you now

I'm walking down the line  
That divides me somewhere in my mind  
On the border line  
Of the edge and where I walk alone

Today is gonna be the day

That they're gonna throw it back to you

Read between the lines  
What's fucked up and everything's alright

Check my vital signs  
To know I'm still alive and I walk alone

Today is gonna be the day  
That they're gonna throw it back to you (I walk alone, I  
walk alone)  
By now you should've somehow  
Realized what you gotta do (I walk alone, I walk alone)

And all the roads we have to walk are winding  
And all the lights that lead us there are blinding  
There are many things that I would  
Like to say to you  
But I don't know how

I walk this empty street  
On the Boulevard of Broken Dreams

Today is gonna be the day  
That they're gonna throw it back to you

I walk this empty street  
On the Boulevard of Broken Dreams

By now you should've somehow  
Realized what you gotta do

Where the city sleeps  
And I'm the only one and I walk alone

Because maybe  
My shadow's the only one that walks beside me (You're  
gonna be the one that saves me)  
My shallow heart's the only thing that's beating (You're  
gonna be the one that saves me)  
Sometimes I wish someone out there will find me  
(You're gonna be the one that saves me)  
'Til then I walk alone

Sing with me (sing)  
Sing for the year (sing)  
Sing for the laughter, sing for the tear  
Sing with me, if it's just for today  
Maybe tomorrow the good lord will take you away
