

Dean Gray "Novocaine Rhapsody"

Visit "[Novocaine Rhapsody](#)" on MotoLyrics.com

Take away the sensations inside
(Is this the real life)
Bittersweet migratine in my head
(Its calling the lifeside)
It's like a troubling thootake of the mind
(Open your eyes)
I can't take this feeling any more
(Escape from reality)

Mama just killed a man. put a gun aganst his head
pulled my trikker now he's dead. mama life ist just
begin. but now I'm gonna twron it al away

Drane the presser from the swelling
(Escape from reality)
This sentation is over welling
(Escape from reality)
Give me a long kiss goodnight and evrything gonna be
allright.tell me that I won't feel a thing. so give me
novacaine

Too late my time has come Sends shivers down my
spine

Body's aching all the time Goodbye, everybody
I've got to go Gotta leave you all behind and face the
truth

(I wil tell you what)

Mama ohhh I don't want to die
Sometimes wish I'd never been born at all
So give me novacaine

(Is this the real life)
(Its calling the lifeside)
(Escape from reality)
(Open your eyes)

I'm just a poor boy (Poor boy)
I need no sympathy
Escape from reality

Open your eyes

Any way the wind blows does'nt realy matter to me
Nothing realy matters to me
So give me novacaine
Nothing realy matters to me
So give me novacaine
Any way the wind blows...
