Now I'm lost, I lost the way to go.
I walked for miles.
I talked for lies, looser.
Now I'm lost, I waste my time, my days,
I eat, sometimes I drink some wine, winner.

I'm a walker, walker, walker. I'm a walker, walker, walker. I'm a walker, walker, walker. I'm a walker, walker, walker.

Now I'm lost, I lost my words and soul, My cards and keys, But not my name, walker.

Now I'm lost, I waste my life away, Like a blank that's my left wonder.

I'm a walker, walker, walker. I'm a walker, walker, walker. I'm a walker, walker, walker. I'm a walker, walker, walker.

I'm a walker, walker, walker. I'm a walker, walker, walker. I'm a walker, walker, walker. I'm a walker, walker, walker.
