I can tell you
It's twice as good
The feeling that we'll have
Tomorrow

You give me something
I've never had
There'll be magic in tomorrow
Tomorrow comes
Tomorrow goes
There are things that tomorrow
Knows
Our whole life just adds up
Into tomorrow

Songs and coffee
The sound of my breath
My face unshaven in the morning
Your hands touch my face
I feel perfection
When I hold you in the morning

The morning comes
The morning goes
There are secrets
The morning knows
As I fall asleep
My answer is the morning

Tomorrow comes
Tomorrow goes
There are things
That tomorrow knows
Our whole life just adds up
Into tomorrow

Tomorrow with you

Tomorrow with you
I'm sure we'll have a smile
Tomorrow with you
I'm sure there'll be some tears too

Tomorrow with you
All you say with your ways
Tomorrow with you
I'm sure that it will lead me back
