No favors for these rap niggas

Take the benz and run laps nigga  
Spread em and take the Benz and run laps nigga  
Take the benz and run laps nigga  
No favors for these rap niggas  
Studio with my trap niggas  
Million dollars on the cap nigga

Purple with my trap niggas, New Mexico on the map

No skinny jeans Iâ€™m a fat nigga  
We take the benz and run laps nigga  
Iâ€™m from the city but Iâ€™m a cap nigga  
One time for my cap niggas  
Big pimp, is there a count nigga?  
So scream is on so Iâ€™m strapped nigga  
I take the Bouton and my Louis Vuitton  
8 air and thatâ€™s a homerun  
Iâ€™m startin today with my long journey  
Iâ€™m in the kick, Iâ€™m cookin Long John  
I got a bitch and she on one  
That new porsche I own one  
Free bands! We on boy  
I ainâ€™t need this shit, I own boy  
Trigger fingerâ€™s itchin  
So you better watch your tone boy  
Pussy draws on 2 legs  
Then get you high pitched like a song boy  
Fuck you and yo homeboy  
Fuck your favors for a song boy

Heard stories bout yâ'all rap niggas

I ainâ't even gotta rap nigga  
I can get a mill packed, turn the studio into my trap  
nigga  
Damn right Iâ'm strapped nigga,  
You donâ't wanna be that nigga  
Getting bags of money, call the truck  
For one girl itâ's enough  
She got an apple bottle call it mac  
I shouldâ've not used your rack  
And I donâ't fuck with no raps  
Not a snitch nigga, none these regular bitches  
Not allowed in the truck

All the money mine, thatâ's a million dollar left  
And Iâ'm takin pictures, I already know  
Rap callin fo but I ainâ't gotta know
