All my loved ones  
Through frozen forests  
Hold my hand  
All together  
Warm in winter  
Hand in hand

Ooh

You're a part of the family band  
Nothing you could do could ever change that  
You don't listen to a word I say  
Just remember my blood runs through your veins

All my loved ones  
Through frozen forests  
Hold my hand  
All together  
Warm in winter  
Hand in hand

Sing a song that we all know  
Something upbeat get our mind off the cold  
Don't worry we'll be there soon  
If you lose the words just carry the tune

Ooh

All my loved ones  
Through frozen forests  
Hold my hand  
All together  
Warm in winter  
Hand in hand

All my loved ones  
Through frozen forests  
Hold my hand  
All together  
Warm in winter  
Hand in hand
