Lakeshore drivin' down this afternoon  
I'm coming soon  
And at the end of it all is a little bit like Ava  
But more like June  
I've been dancing in and around your stars  
Looking down on where you are

It's not all about you  
I'm always here and already came through  
I can see it in your eyes and tell it when you lie  
Whenever you say goodbye  
Your wave's my Lakeshore Drive

Tell me more than what I've been mistaken for  
I always want more  
If this is all that we have in store, then furthermore  
Forget the encore  
I've been running around your battlefield  
Barefoot, and with my cardboard shield

It's not all about you  
I'm always here and already came through  
I can see it in your eyes and tell it when you lie  
Whenever you say goodbye  
Your wave's my Lakeshore Drive
