You say, 'don't be afraid' as I step onto the train
And from a foggy window I'll watch you waving
goodbye and cry
Some friends come and go, oh but somehow I've
always known
That I could count on you to be more than a wishing
star for me
Take me by the hand, show me that I can

(Chorus)

You're here, you run to my rescue when I need it most
You're here, nevertheless you'll be
When I'm looking for a little hope
Through every high road and every low
I'll always know you're here

Bustlin' city streets, faceless strangers surrounding me
But they don't know my heart's breakin', only you know
I'm fakin'
Tryin' to make my way through every single day till...

... that through thick and thin you're here just when I
need it most, I
Know...
