Did you ever wonder  
If you were gonna break  
When you finally hear the power  
You've had all you're gonna take

I know when I give in  
There aint nothin left to say  
Somethin clicks inside me  
And it's graduation day

Everybody learns (everybody learns)  
The point of no return

My circuit braid is breaking  
My sanity's at stake  
I know I've taken all I'm gonna take  
Frustrated bodies shakin  
Feel like I'm gonna break  
I know I've taken all I'm gonna take

Big boss man  
In his collar and his tie  
Thinks he's got the upper hand  
When he turns us loose at night

It can make a man so desperate  
When there aint no money left  
But a pistol's always welcome  
Like American Express

Everybody learns (everybody learns)  
The point of no return

My circuit braid is breaking  
My sanity's at stake  
I know I've taken all I'm gonna take  
Frustrated bodies shakin  
Feel like I'm gonna break  
I know I've taken all I'm gonna take

My circuit braid is breaking

My sanity's at stake  
I know I've taken all I'm gonna take  
Frustrated bodies shakin  
Feel like I'm gonna break  
I know I've taken all I'm gonna take  
I know I've taken all I'm gonna take  
I know I've taken all I'm gonna take
