Everyday I'm watchin'  
People everywhere  
Walkin' down that red line  
Ain't no time to care

It's a pressure cooker  
Livin' for today  
It's a Ouiji future  
Getting' in our way

When you live life on the edge  
It's a very narrow ledge  
It's the way of life today  
Somethin' we can't change

(Crazy boy) crazy boy  
(Crazy girl) crazy girl  
(Livin' in) livin' in  
A crazy world  
(Crazy me) crazy me  
(Crazy you) crazy you  
(Can't you see) can't you see  
We're crazy too

It's an occupation  
Tryin' to stay alive  
Drinkin' down the courage  
Helps us to survive  
Life's a ring of fire

You can fall right through  
For the ones who make it  
Here's a toast to you

When you live life on the edge  
It's a very narrow ledge  
It's the way of life today  
Somethin' we can't change

(Crazy boy) crazy boy  
(Crazy girl) crazy girl

(Livin' in) livin' in  
A crazy world  
(Crazy me) crazy me  
(Crazy you) crazy you  
(Can't you see) can't you see  
We're crazy too

(Solo)

(Crazy boy) crazy boy  
(Crazy girl) crazy girl  
(Livin' in) livin' in a  
A crazy world  
(Crazy me) crazy me  
(Crazy you) crazy you  
(Can't you see) can't you see  
We're crazy too
