She's the dangerous type  
With a powerful spell  
Yeah she took me  
From heaven to hell  
She went right for my heart  
And I couldn't resist  
Just to taste  
Of her poisonous kiss

Now I face from her race  
Heart attack  
I could feel the dagger in my back  
Heart attack  
Never ever, no time to react  
Heart attack  
And I know she's never lookin'  
Never lookin' back  
She give the heart attack

With a wink of her eye  
I was in the eclipse of the light  
That she flicked on her lips  
Such a beautiful thrill  
When she did me at last  
Well she used me  
And left me for dead  
Overrun, I need 9-1-1

Heart attack  
I could feel the dagger in my back  
Heart attack  
Never ever, no time to react  
Heart attack  
And I know she's never lookin'  
Never lookin' back, nooo

She's the mesmerizing kind  
With a hypnotizing mind  
And she gets inside your head  
When she gets you into bed

Now I face from her race  
Heart attack  
I could feel the dagger in my back  
Heart attack  
Never ever, no time to react  
Heart attack  
And I know she's never lookin'  
Never lookin' back  
She give the heart attack  
She give the heart attack  
Oww
