

Dear Matthew

"More To This"

I need you to keep,
An open mind on things,
So you can see just what, I mean
I hope you understand,
That this is going on,
Think when you close your eyes, and sing
This is the only way I know, This is the only way I know
There is more to all of this, and I will try to make time,
In what has been re-done,
And It will, be made of all of us,
Don't turn or look away, you'll miss what I must say,
There is still hope for you, yet, This is over,
You won't remember, The things that made you feel so
set,
This is the only way I know (this is the only way I know)
This is the only way I know (The only way I know)
There is more to all of this, and I will try to make time,
In what has been re-done,
And It will, be made of all of us,
This is nothing now,
we've been here before,
all is not new,
i bet you know what I made
we've been here before
we've been here before
This is the only way I know (this is the only way I know)
This is the only way I know (The only way I know)
There is more to all of this, I will try to make time,
In what has been re-done,
And It will, be made of all of (this)
There is more to all of this, I will try to make time,
In what has been re-done,
And It will, be made of all of us.
