I'm working hard, youre working too  
We do it every day  
For every minute I have to work  
I need a minute of play  
Day in, day out, all week long  
Things go better with rock  
The only time I turn it down  
Is when I'm sleepin it off

(CHORUS)

Turn up the radio  
I need the music, gimmie some more  
Turn up the radio  
I wanna feel it, got to gimmie some more

Now listen  
I wanna shake, I wanna dance  
So count it of, f a one two three  
I feel the beat, I'm in a trance  
No better place to be  
Daytime nighttime, anytime  
Things go better with rock  
I'm goin twenty four hours a day  
I can't seem to stop

(CHORUS)

I wanna feel it, got to gimmie some more

(CHORUS) to end
