1st stanza:

Since you came along
I never felt nothing in the world like this before
I hope you'll be the one who share my lifetime
(With my lifetime)

Refrain:

You know I love I can't deny
And I want too,
You'll be the one

Chorus:

I never thought you are the one
(Who turn my night into day)
You're my angel
You are the one
(You are the one)

2nd stanza:

From the moment I met you you caught my heart
(With your sweet smile)
I can't help but to fall inlovewith you everyday
(Everyday)

(Repeat refrain and chorus)

Bridge:

Even though our world apart
(You know you've never be that far)
I always hoped and pray that
We were meant to be
(We were meant to be)
You'll be the one for me

(Repeat chorus)
