Who are you,
Where are you tonight?
Always keep your light on in the rain,
To light my way...
But who are you,
and where are you tonight?

Bounce my eyes off all the trees,
Distant as my thoughts could be
Can't peel my arms and legs from the hourglass,
tonight...
Tonight
Tonight...

(chorus)
With all the talk in my dreams,
I couldn't sleep a wink the night that I said "It's all
over."
Still in my dreams I see remains of Marianne
Still in my dreams I see remains of Marianne

Will they all draw your beauty like I have,
Will they all hold your (???) like I have.

Tonight, bounce my eyes off all the trees,
Distant as my thoughts could be, tonight...

(chorus)

Who are you,
Where are you tonight?
Who are you,
Where are you tonight?
Always keep your light on in the rain,
To light my way...
But who are you,
and where are you tonight?

Now you're so bright, you dried up the rain. (Ä—3)

And I see it now,

Now you're so bright, you dried up the rain. (Ã—3)
You worked a miracle.
