Tossed by the waves, am I sinking  
Grasping for your life so completely  
I let you down many times too often  
Without you the tides of hope have broken

Will you pass my way again  
And cleanse this broken heart, heart of sin  
Make straight the crooked path I'd chosen  
And calm the storm inside

Restore to me Lord the joy of your salvation  
Please don't take your Holy Spirit away  
These broken bones can't take another night  
For you alone are the Breath of Life

Can't bear to think of your sacrifice  
To hurt you more when I denied  
Don't want to lose you again, no not ever  
Turn these grains of sand to stone forever

Will you pass my way again  
Mercy undeserved, light again my days  
Apart from you, only hopelessness abound  
Give me strength to live and be found
