I spent my time dying hard  
With no satisfaction in my heart  
I pushed and I shoved until I cracked  
Now He lives in me and I won't turn back.

Ride on, follow the Son  
Never die, life's just begun  
Don't hand me your deceiving lies  
He is the Father and Son

Lay Your hands upon my chest  
Make my heart beat hard like piston heads  
I know where I'm going, He knows who I am  
It's written in blood, truth never ends.
